

## Parental Access to Go4Schools 2018-19

Please note that we are planning to open parental access to Go4Schools on the dates shown below:

Years 11 and 13	Thursday 20 <sup>th</sup> September
Years 8 – 10	Thursday 27 <sup>th</sup> September
Year 12	Tuesday 2 <sup>nd</sup> October
Year 7	Thursday 4 <sup>th</sup> October

**Parents of students in Year 7** are reminded that you will need to have returned the reply slip to Mrs Howells from the previous letter, in order to access the site. If you did not receive this first letter, please contact Mrs Howells at school ([bjh@thomasadams.net](mailto:bjh@thomasadams.net)).

**Parents of students in Years 8 – 11 and Year 13** should login with the same details as last year, although you may be prompted to create a new password (passwords expire every two months, due to GDPR regulations) – please read the instructions on screen as to what needs to be included within the password. If you did not login to Go4Schools last year and require information on how to access the site, please contact Mrs Howells at school (address above) or Mrs Evans at Adams College ([sge@thomasadams.net](mailto:sge@thomasadams.net))

**Parents of students in Year 12** – please check that your son/daughter has returned both the yellow registration form and the College Contract. If he/she hasn't done so, these must be returned **before the end of next week**, to ensure that there is no delay to accessing Go4Schools. Please contact Mrs Evans (email address above) if you have any queries. Instructions for accessing the site will follow soon.

We are also planning to open student access to Go4Schools later this term, beginning with Years 12 and 13 on Tuesday 2<sup>nd</sup> October. More information will follow in due course.

Please be aware that, when access is granted, this will initially be for monitoring attendance (all Year groups), behaviour (Years 7-11) and for seeing timetables. Subject Leaders are in the process of setting up their Departmental markbooks on Go4Schools, but this takes some time, so please don't worry/contact the school/college if target/current grades etc. are not visible, or seem unusual at this stage. More details will be provided in time for the first tracking point of the year, at which point you should contact us if there are any queries.
