

Adams College Financial Support

The 16-19 Bursary Funds are used to assist students who may have difficulties attending or completing a college course due to financial considerations.

The 16 -19 Bursary Fund has two elements:

1. **Vulnerable Student Bursary:** Young people in care, care leavers, young people in receipt of Income Support or Universal Credit and disabled young people in receipt of Employment Support Allowance who are also in receipt of Disability Living Allowance or Personal Independence Payments will be eligible to receive a Bursary of £1,200 a year.
2. **Discretionary Bursary:** Schools can use their discretion to make awards to young people in ways that best fit the needs and circumstances of their students. Discretionary Bursary awards should be targeted towards young people facing financial barriers to participation, such as the costs of transport, books and equipment.

Applications from students in the priority categories will be considered first and, once their applications have been met, should there be any remaining funds these will be distributed accordingly.
