

YEAR 9 OPTION FORM 2018

Name: _____

Form: _____

About myself: (career ideas, strengths, enjoy?)

PLEASE TICK HERE IF YOU HAVE STUDIED ASDAN RATHER THAN FRENCH IN YEAR 9

(It is now an expectation, government-led, that almost all students will continue to study French as a GCSE subject, in order to allow the largest possible number of students to access the English Baccalaureate. For those that studied Asdan in Year 9 and for those disapplied by the Languages department, there will be a small range of options: ICT, Product Design, Business Studies (BTEC) or Food. During the Options process, you will be informed if you have been disapplied from French and will then be able to choose one of these.)
