

Apprenticeship Opportunities with Mercedes-Benz

It's National Apprenticeship Week and the perfect time to bring to your attention some great apprenticeship opportunities with Mercedes-Benz.

We recruit and train apprentices for our franchised sites, with vacancies available throughout the whole of the UK. Apprentices train as Light Vehicle, Heavy Vehicle or Semi-skilled Technicians or for those wishing to gain skills in a sales or customer service role we have our Retail Parts Advisor or Customer Service Specialist.

To find out more and make an application, please direct interested students to our website www.mercedes-benztraining.co.uk/apprenticeships We'd also be grateful if you could place the attached flyer on your noticeboards

We are particularly looking to promote Women in STEM
If you have young women with a passion to understand how vehicles work then we want to hear from them
Let us dispel the myths of what a day in the life of a technician looks like
Let us share the benefits of launching a career with a globally recognised brand

To speak with one of our team, call 01908 301496 or e:mail us at mb.apprentice.academy@daimler.com

Kind regards

Helen Taylor, Apprentice Academy Operations Manager and Judy Wilkins, Apprentice Recruitment Manager
