

Dear Parents

At a recent meeting of the Adams House Governors, it was, after careful consideration, agreed that, from September 2019, boarding fees will be raised to £3,400 per term (£10,200 per year). Despite putting our fees up, we are still offering extremely competitive rates in comparison to similar state boarding schools across the country.

We will continue to offer £100 per term reduction for any second child and subsequent children from the same immediate family.

Weekly boarding fees will be £2,800 for 5 nights.

If you have any questions regarding fees, please do not hesitate to contact me.

Kind regards.

N Cooper (Mrs)
