Dear Parent/Carer

Following on from our successful expedition this summer, we are delighted to be working with Camps International again, offering your son/daughter the opportunity to join us on a 4-week expedition to Cambodia during the summer of 2021. Students will work on a range of sustainable and meaningful community and conservation projects as well as undertaking a 4-5 day jungle trek through the Kulen Mountains.

Come along to our informal presentation evening where you can learn more and ask questions about this exciting opportunity. We expect the presentation to last around 45 minutes.

TUESDAY 4TH FEBRUARY at 18:30 in the MAIN HALL

Who are Camps International?

Our school has chosen Camps International because they are global leaders in ethical and sustainable school expeditions. They offer fully supported, life-enhancing school expeditions across Africa, Asia and Latin America.

Camps International provide an authentic cultural experience for every travelling student. The expedition provides a unique opportunity for students to live alongside rural communities, broadening their perspective on the world and increasing their understanding of the day to day challenges these communities face, such as access to clean water, education and housing. It also enhances students' self-worth and appreciation of the impact one person can have on the world.

Fundraising for your expedition

This all-inclusive expedition costs £4,080 which is protected by ATOL (6608) and can be paid via scheduled payment plans which facilitate fundraising activities and financial management.

The fundraising support team at Camps International will be on hand throughout the lead up to your expedition, offering support, endless ideas and continual encouragement. Students can raise a significant proportion (if not all) of the funds for their expedition. Please come along to the Parents Presentation to learn how we make it possible for everyone to achieve this.
