

## YEAR 9 OPTION FORM 2020-21

Name: \_\_\_\_\_

Form: \_\_\_\_\_

About myself: (career ideas, strengths, enjoy?)

**PLEASE TICK HERE IF YOU HAVE STUDIED ASDAN RATHER THAN FRENCH IN YEAR 9**

It is an expectation, government-led, that many students will continue to study French as a GCSE subject, in order to allow the largest possible number of students to access the English Baccalaureate. For those that studied Asdan in Year 9 and for those dis-applied by the Languages department, there is a small range of options in Option column D. During the Options process, you will be informed if you are being advised to drop French by your French teacher and should then choose one of these. If your French teacher has advised you to continue, please tick French in this column.

Tick one in **each** column:
