Thomas Adams School Provider Access Policy

Introduction

This policy statement sets out the Thomas Adams School arrangements for managing the access of providers to pupils for the purpose of giving them information about the provider's education or training offer. This complies with the School's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

Students in Years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies, group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests procedure

Years 7 - 11

A provider wishing to request access should contact:

Telephone: 01939 237000

Email: lja@thomasadams.net

Safeguarding

The School policy on safeguarding (available on the school website) sets out our School's approach to allowing providers into school as visitors to talk to our students.

Premises and Facilities

The school can offer the following facilities; the main hall, Stanier Hall, classrooms (with computer access when available), careers hub or Seminar Room available for discussions between the provider and students, as appropriate to the activity and agreed with the school. The school will also make available sound and visual equipment to support provider presentations. This will be discussed and agreed in advance of the visit with the Careers Leaders or a member of their team.

Providers are welcome to leave a copy of their presentation / prospectus or other relevant course literature. These will be displayed in the Careers Hub / 6th Form Library and electronic versions will be placed on the school website.

Opportunities for Access

A number of events, integrated into the school career programme, will offer providers an opportunity to come into school to speak to pupils and / or their parents. (Gatsby Benchmark)
