

## Health and Social Care Intent

We have started working on coursework already.

This is Unit 24 Public Health. There are 3 Pass pieces, 1 Merit and 1 Distinction.

Course outline and requirements produced by OCR are on Teams, as are task descriptors and specific resources.

EG

P1\*:

Summarise the origins of public health policy and legislation

Remember, you need to summarise the origins, which means where the ideas come from as well as the ideas themselves. However, summarize means not that much; maybe a paragraph each.
