

Microsoft Teams

Collaborative online working

Microsoft Teams

Step 1: Access the following:

mail.thomasadams.net on your web browser

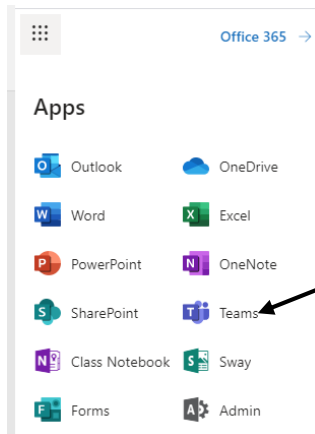

Step 2: Login using your normal school username and password note you would add on @thomasadams.net to your username e.g daviesM04 would become daviesM04@thomasadams.net

Step 3:

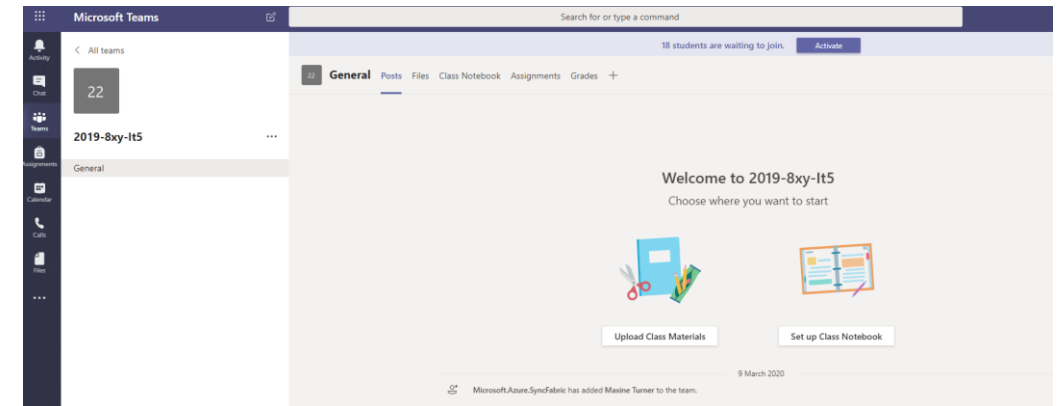

Choose the App Launcher

Step 4:

Select Teams

This will give you access to classes and work material.

We recommend if you have a smartphone downloading the Microsoft Teams App
