Dear Parent/Carer

As part of exciting Government's support initiative for students following the last year's lockdowns, Thomas Adams School is running a Summer School from Monday 9th August to Friday 13th August, and we would like to invite your son/daughter to take part. This would not be like our ordinary school day as pupils will be involved in exciting activities all revolving around a business project based around chocolate. Activities include lessons relating to media, sport, food, drama and more! These activities will take place alongside some challenges to support Literacy, Numeracy and transition to Thomas Adams. We expect the days to start at 8:55am and to end at 3.20pm.

If you would like your child to take part in Summer School, you will need to complete the form which you can access on our website or by using the QR code below, we will be in touch with those who have booked with further information. We would love for your child to complete the whole week but we understand this may not be possible, on the form, you will be able to select the days they can attend. The pupils who joined us for our previous Summer Schools really benefitted from the opportunity to meet some new friends and teachers, and find their way around the building before the start of the school year.

We look forward to speaking to you soon and hopefully seeing your son/daughter in August.

Kind regards

Mr J Hargreaves
