

# School Uniform

Clearly the wearing of our uniform is a requirement of attending Thomas Adams School. We believe it allows students to gain a sense of equality, and identity and adhering to the uniform policy prepares them for the world of work. We would ask as parents/carers, that you support us on this issue and ensure that your son/daughter is appropriately dressed for school in the correct uniform.

We believe firmly that if our students are smartly dressed for school in a uniform consistent with school policy, they will be prepared for work in the classroom. As ever, your full support in this matter is appreciated.

It is gratifying that the vast majority of students wear our uniform with pride, but we would like to draw your attention to the following:

The length and style of some girls' black skirts remains a concern and we appreciate the difficulty many of you face when your daughter insists that 'all the other girls are wearing them'. For this reason, to ensure absolute consistency and total fairness, we ask that all skirts be purchased from our uniform supplier School Shop Direct and are of an appropriate length for school. (Alternatively girls can of course wear tailored school trousers if they prefer, but no canvas style, jeans, skinny fit or fashion trousers).

Hooded tops should not be worn as a substitute for a coat. We would ask you not to buy such items for school, as your child will be asked to remove them. Cardigans are also not to be worn as a substitute for the sweatshirt.

School shoes for boys and girls should be plain black leather or leather-like material with no motifs. Boots of any kind, including Timberlands and Doc Martins, are NOT acceptable unless we experience extreme weather conditions (snow), in which case we would expect school shoes to be carried in bags and for students to change into these on entering the building. Trainers and pumps are also unacceptable.

The rest of the Uniform Policy is below. Please take the time to study it so that you do not purchase items, which are unacceptable for school. Some of these items can be expensive so please be careful not to buy anything that the school would consider unsuitable.

A reminder that facial piercings, tattoos and extreme haircuts, including unnatural colours, are not permitted.

Thomas Adams branded school polo shirts and sweatshirts as well as PE kit should now be purchased from our supplier School Shop Direct. The recommended school skirt and trousers are also available for purchase in the same way. Purchases can be made in person at their store: School Shop Direct, Unit 13, Sundorne Trade Park, Featherbed Lane, Shrewsbury, SY1 4NS, tel 01743 440449, opening times: Monday to Friday 10am – 5pm & Saturday 10am – 4pm. ### **Hair Styles**

It is expected that all students will wear their hair appropriately to reflect a serious learning environment. "Exaggerated" hairstyles and colours are not acceptable, neither are bandanas.

### **Nails**

Due to both practicality and health and safety reasons, pupils' nails should not be excessively long. Nails should end just above the end of the finger. Any pupil with excessively impractical nails will be asked to remove these (if false) or cut them to a reasonable length. As acrylic nails are expensive, we advise that, if you allow your child to have these, they do not extend beyond the end of your child's finger to avoid having to take these off or cut them.

These are not allowed.

In your own interest, it is vital that each item of school uniform is clearly marked with the owner's name.
