Dear Parent/Carer,

Re: Moving Up Day and Covid-19 Lateral Flow Testing

We hope that your child is excited about joining us for the Moving Up Day on Friday 3rd September – full details of the day were provided in my previous letter sent to you in the transition pack and this letter is also available on the school website (www.thomasadams.net/admissions).

Following the latest government advice from the Department for Education (8/7/21) we are now required to undertake two lateral flow tests for all students upon return to school in September. The first of these two tests will take place on the Moving Up Day (3/9/21).

In order to complete this task, we need parental consent for each child. The most efficient way to complete this is via the QR code opposite or by using the following link to access the electronic form: <https://forms.office.com/r/GFVQWHzGau>. The completion of the online form is our preferred method. If you would like a paper copy of the consent form then please contact Mrs Howells (bjh@thomasadams.net). For reference, the letter is also available in the admissions area of the school website (address above).

Thank you in advance for your support in this matter and we very much look forward to welcoming your child to Thomas Adams School for the Moving Up Day on Friday 3rd September.

Yours faithfully,

Mr L. Winter
Transition Coordinator
