Dear Parents / Carers,

Roof Damage Update

Since Wednesday, the site staff have worked with loss-adjusters, the scaffolding company, electricians and the roofing contractors, to ensure that we have addressed the issues caused by Storm Arwen. We have now waterproofed the roof and checked that all electrical points and lights are safe.

So, I am pleased to report that, with these temporary repairs, we will be able to fully re-open the school to all year groups from Monday 6th December.

I would like to express my thanks to all members of our school community who have had to endure huge disruption during the last few days. I would also like to apologise for the additional inconvenience this has caused for the pupils and parents of Years 8 and 9, who have had two days out of school.

I fear that this may not be the end of the disruption from this problem, as we move towards a more permanent solution. However, I will keep you informed of any updates I have, and I will always aim to keep disruption to a minimum.

Thank you again for your continued support.

Yours sincerely

Mark Cooper
