Catering Communication – September 2026

A Warm Welcome...

Angel Hill Food Co. would like to welcome you to the catering facility at Thomas Adams.

We are a company of food lovers and can-doers with a mission to serve a catering experience with innovation, dedication and exceptional food.

From the start of the new term we will be delivering a three-week menu cycle, featuring traditional, speciality food offerings plus hot, chilled and ambient savoury & sweet snacks as well as a wide range of chilled beverages.

We look forward to seeing you daily.

Free Student Meals

If you are entitled to a 'free student meal', you can be assured of **complete confidentiality** with our cashless system.

You'll have the option of having a hot or chilled nutritious meal or a selection you could choose to have something from our grab & go hot or chilled counters if you prefer within the daily meal allowance.

Smart Cashless System

The impact system is a smart cashless payment system, where you can make online payments to top up your child's account.

It is safer than carrying cash and makes it easy monitor your current value and previous purchase details.

Global Flavours, Local Buzz

We love to keep our food fresh, exciting and modern, so we have a variety of different **Food Concepts** to suit every taste. From the **Ruby Railway Curry** adventure, USA-styled **Jukes Diner**; **Wrap Shack** Burrito Bar, to the Asian-themed **Halo** and **Goodness** healthier options and our new **Low Carbon** recipe alternatives

Food That Feeds The Soul

We believe nutrition is vital in schools, giving students the nutrients they need to thrive throughout the school day.

The daily menus designed by the Chef development team, crafted daily with the local catering team, are analysed each term with the company nutritionists to ensure they are fully compliant with allergen legislation in line with the School Food Plan

Crafted & Made Fresh

To ensure there's always something for everyone, we offer a variety of freshly prepared options each day alongside our hot main meal.

Choose from hot snacks, crisp salads, deli-style sandwiches, baguettes, baked potatoes, pizzas, and freshly made pasta. Plus, enjoy our extensive bakery selection, proudly baked in-house.
