206 Students (Male 96, Female 110)

Notes:

All GCSE subjects are graded 1 to 9 with a 4 equivalent to a C and designated as a Standard Pass. A grade 5 is equivalent to the top part of a C grade or the lower end of a B grade and is designated as a Strong Pass.

Average Total Attainment 8 (A8)
The average score per student across eight key subjects (including English, Maths, Sciences, and EBacc subjects). It reflects overall academic achievement at GCSE level.

Students Achieving 9–5 in English and Maths
The percentage of students who achieved a strong pass (grade 5 or above) in both English and Maths GCSEs. This is a key benchmark for further education and employment.

Students Achieving 9–4 in English and Maths
The percentage of students who achieved a standard pass (grade 4 or above) in both English and Maths. This is the minimum expected level for most post-16 courses.

Students Entered for EBacc
The proportion of students who were entered for all the subjects that make up the English Baccalaureate (English, Maths, Science, a language, and History or Geography). It shows how many students are following a broad academic curriculum.

EBacc Average Points Score (APS)
The average score per student across the EBacc subjects. It reflects how well students performed in this group of academically rigorous subjects.

Notes:

L3 Overall Average Points Per Entry

The average number of points scored per A level exam entry across all students.

L3 Overall Average Grade

The average grade achieved per A level entry, typically shown as a letter grade (e.g. B, C). It's a simplified way to show how well students performed overall.

Students Achieving AAB Including 2 Facilitating Subjects

The percentage of students who achieved at least grades AAB at A level, with at least two of those grades in "facilitating subjects" (e.g. Maths, English Literature, Physics, Chemistry, Biology, History, Geography, Languages). This is often used as a benchmark for entry to top universities.

Applied General Measures Applied General Average Points Per Entry

The average number of points scored per entry in Applied General qualifications. It reflects how well students performed in vocational subjects at sixth form.

Applied General VA (Value Added)

A measure of progress made by students compared to their prior attainment. A positive score means students performed better than expected; a negative score means below expectations.

Applied General Average Grade

The average grade achieved in Applied General qualifications, shown as a letter (e.g. Distinction, Merit). It gives a quick view of overall achievement in vocational subjects.
